Dear Admiral Turner:

On June 15, 1978, [redacted] apprised Mr. George F. Murphy, Jr., of the existence of a file pertaining to a sensitive matter which has been of interest to me since I was Ranking Minority Member of the Joint Committee on Atomic Energy. On June 21, 1978, the Central Intelligence Agency provided Mr. Murphy with that file. I have today reviewed this file and find that it contains significant information previously unknown to me.

I have discussed this matter with the Majority Leader and we have directed that the file be returned herewith and would request that the Central Intelligence Agency provide this file to the Senate Select Committee on Intelligence without delay.

I appreciate the Central Intelligence Agency bringing the existence of this file to the attention of the Office of Classified National Security Information and would be pleased to be kept currently informed of ongoing developments with regard to this subject matter.

Best personal regards.

Sincerely,

  
Howard H. Baker, Jr.
